ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was electronically received at the Board of Patent Appeals and Interferences on December 18, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

An Information Disclosure Statement (IDS) was filed October 16, 2006. It is not apparent from the record that the examiner either considered the IDS or notified applicants of why her submission did not meet the criteria set forth in 37 CFR §§ 1.97 and 1.98.

Application 10/091,061

Accordingly, it is

**ORDERED** that the application is being electronically returned to the Examiner for consideration of the Information Disclosure Statement, and for such further action as may be appropriate.
